views of the Board expressed in its reports, were admitted in evidence or used in litigation arising out of an accident. The Board relies heavily upon its investigators' opinions in its deliberations. Furthermore, the use of Board employees as experts to give opinion testimony would impose a significant administrative burden on the Board's investigative staff. Litigants must obtain their expert witnesses from other sources.

(b) For the reasons stated in paragraph (a) of this section and §835.1, Board employees may only testify as to the factual information they obtained during the course of an investigation, including factual evaluations embodied in their factual accident reports. However, they shall decline to testify regarding matters beyond the scope of their investigation, and they shall not give any expert or opinion testimony.

#### §835.4 Use of reports.

(a) A Board employee may use a copy of his factual accident report as a testimonial aid, and may refer to that report during his testimony or use it to refresh his memory.

(b) Consistent with section 701(e) of the FA Act and section 304(c) of the Safety Act, a Board employee may not use the Board's accident report for any purpose during his testimony.

#### §835.5 Manner in which testimony is given.

(a) Testimony of Board employees may be made available for use in actions or suits for damages arising out of accidents through depositions or written interrogatories. Board employees are not permitted to appear and testify in court in such actions.

(b) Normally, depositions will be taken and interrogatories answered at the Board's office to which the employee is assigned, and at a time arranged with the employee reasonably fixed to avoid substantial interference with the performance of his duties.

(c) Board employees are authorized to testify only once in connection with any investigation they have made of an accident. Consequently, when more than one lawsuit arises as a result of an accident, it shall be the duty of counsel seeking the employee's deposi-

tion to ascertain the identity of all parties to the multiple lawsuits and their counsel, and to advise them of the fact that a deposition has been granted, so that all interested parties may be afforded the opportunity to participate therein.

(d) Upon completion of the deposition of a Board employee, a copy of the transcript of the testimony will be furnished, at the expense of the party requesting the deposition, to the Board's Counsel for the Board files.

#### §835.6 Request for testimony.

(a) A request for testimony of a Board employee relating to an accident by deposition or interrogatories shall be addressed to the General Counsel, who may approve or deny the request. Such request shall set forth the title of the case, the court, the type of accident (aviation, railroad, etc.), the date and place of the accident, the reasons for desiring the testimony, and a showing that the information desired is not reasonably available from other sources.

(b) The General Counsel shall attach to his approval such reasonable conditions as he may deem appropriate in order that the testimony will be limited to the matters delineated in §835.3, will not interfere with the performance of the duties of the employees as set forth in §835.5, and will otherwise conform to the policies of this part.

(c) A subpoena shall not be served upon a Board employee in connection with the taking of his deposition.

#### §835.7 Testimony of former Board employees.

It is not necessary to request Board approval for testimony of a former Board employee. However, the scope of testimony of former Board employees is limited to the matters delineated in §835.3, and use of reports as prescribed by §835.4.

#### §835.8 Procedure in the event of a subpoena.

(a) If a Board employee has received a subpoena to appear and testify, a request for his deposition shall not be approved until the subpoena has been withdrawn.

(b) Upon receipt of a subpoena, the employee shall immediately notify the General Counsel and provide the data identifying the accident; the title of the case, the name of the judge, if available, and the title and address of the court; the type of accident (aviation, railroad, etc.); the date on which the employee is directed to appear; the name, address, and telephone number, if available, of the attorney representing the party who caused the issuance of the subpoena; the scope of the testimony, if known; and a statement as to whether a prior deposition on the same accident has been given.

(c) The General Counsel shall determine the course of action to be taken and will so advise the employee.

#### **§835.9 Testimony in State or local investigations.**

Board employees may testify at a coroner's inquest, grand jury, or criminal proceeding conducted by a State of local government. Testimony shall be limited to the matters delineated in §835.3.
